Dear Madames:

In the recently concluded PLAI-STRLC forum on Continuing Professional Education for Librarians held last April 18, 2007 at Lyceum of Batangas with Prof. Corazon M. Nera as speaker, your powerpoint material on "A review of existing standards in Philippine Libraries" by Mam Elnora Conti and "Guidelines and procedures for the implementation of continuing professional education (CPE) programs for librarians" by Mam Elizabeth Peralejo were mentioned and printed copies given to the participants.

In connection with this, may we ask your kind permission to allow us to post the said powerpoint presentation in the PLAI-STRLC blog <http://plastrlc.blogspot.com> in a slideshare format (to see sample of STRLC slideshare post at http://plastrlc.blogspot.com/2006_10_01_archive.html for the information of all interested librarians in Region IV not able to attend said forum in particular and the other librarians in the country/abroad who are loyal readers of the PLAI-STRLC blog.

We hope by posting said materials on the blog, we will be able to reach more librarians to benefit from the timely information contained in the presentation. If said materials were previously presented in another fora or seminar-workshop, we will be more than glad to edit the 1st slide to add this information.

Hope to hear from you soon. Thank you very much.

Rene

PS.
Mam Nera, we will also post the new Code of Ethics of 2006 in the blog shortly.
